FREE Breast Feeding Cover - Grab Yours!

<http://www.youtube.com/watch?v=YzIGh9BtXGU>

I received my [free breast feeding cover](#) from the [uddercovers website](#), and I urge all of you other nursing moms out there to get yours too before the offer ends! Simply [click here to go to the uddercovers website](#), choose the cover you like, and use promo code **ONEFREE** at checkout to bring down the regular price of \$32 to \$0 so all you pay will be shipping and handling of \$9.95.

All nursing covers from the [UdderCovers website](#) are made of 100% cotton and are machine washable. The rigid neckline allows direct eye contact between mom and infant and stainless steel d-rings allows for a fully adjustable neckline.

Because I don't do laundry every day, I bought 2 additional breastfeeding covers from uddercovers in addition to the free one and fell in love with it. I don't know how I lived for so long without something like this before! I wished I had one when my firstborn was born. With my firstborn I was always having to avoid going out and when I did they had to be very short trips worked around her feeding schedule. I'm still grateful I found out about these covers early enough to use it for my new baby daughter though!

One piece of advice though before you request for your free cover: since you'd be paying shipping and handling anyway, why not place an order for a couple more to save on S&H? I mean, when you order the free cover, you'd be paying \$9.95 for shipping and handling anyway, and each additional item would only cost \$1 (S&H). If you were to order more covers at the regular price later in a separate shipment, you'd have to pay the \$9.95 again. So I'd suggest for you to order additional covers you need at the same time you're requesting for the free one to save on shipping and handling charges.

All [breast feeding covers from UdderCovers](#) are sent via USPS 1st class mail within 2 business days from the time you place your order. If you're not satisfied with your purchase you can get a refund within 14 days from purchase date – for details please consult the [UdderCovers website](#).
